

Safety Testing & Remedial Repairs	Lightning Protection	Steeplejack Services	Dry Riser Installation/ Maintenance	Hot/ Boiler Water Treatment
Mansafe Systems	Project Consultancy Services	Industrial Chimneys	Wet & Dry Riser Systems	Industrial Boiler Maintenance
Rail Systems	Design and Installation Consultancy Services	Guy Wires	Specialist Installation and Maintenance Engineers	Steam Generator System Maintenance
Mobile Man Anchors	Annual Inspection and Testing	Flare Stacks	<b>Sprinkler Installation and Testing</b>	Boiler Treatment & Plant Lifecycle Improvements
Anchor Devices	Remedial Repairs	Fabrication	Design & Installation Services	<b>Cooling Water Treatment Services</b>
Ladders and Walkways	Retrofit Upgrades	Historical Buildings and Monuments	Sprinkler Maintenance	Biocides
Collective Protection	<b>Surge Protection</b>	Power Stations	Testing and Reporting	Chemical Cleans
Rope access and abseil points	Leading Consultancy Services	Cooling Towers	Hazard Reviews	Anti-Scalants
Christmas Decoration Fixings	Product and Equipment Advice	<b>High Level Inspection</b>	<b>Sprinkler Pump and Water Tank Systems</b>	Legionella Testing & Control
<b>Safety Installation</b>	Annual Inspection and Testing (PPM)	Industrial Rope Access	Design and installation services	<b>Cooling Water Testing Services</b>
Horizontal Safety Systems	Remedial Repairs	Pest Control	Fire Pump installations, servicing, maintenance, repairs, refurbishments, and inspections	Water Storage Tank Cleans
Fall- Proof Cover	Installation & Retrofit Upgrades	Signage	Diesel engine installations, servicing, maintenance, repairs, refurbishments, and inspections	Relining/ Refurn and Repainting Services
Inclined and Vertical Systems	<b>Specialist Earthing</b>	Lightning Protection	Electric motor installations, servicing, maintenance, repairs, refurbishments, and inspections	Rerouting of Pipe Works
Demarcation Systems	Leading Consultancy Services	Access and Safety Equipment	Fire pump controller installation, servicing, maintenance, repairs, and inspections	CWST Replacement Services
Eyebolts	Survey and Design Project Management	Cladding	Emergency standby generator installations, servicing, maintenance, repairs, and inspections	Installation of Chemical Dosing Systems
Access and Safety PPE	Installation	<b>High Level Repairation</b>	Engine and motor hire	Maintenance of Chemical Dosing Systems
<b>Cradles Maintenance</b>	Commissioning	General External Building Maintenance Services	Emergency standby generator hire	Thermostatic Valve (TMV) Installation
Building Maintenance Units	Testing	External and Internal Repairs	Uninterrupted Power Supply (UPS) servicing and maintenance	Thermostatic Valve (TMV) Maintenance
Roof Trolleys	Maintenance	Cladding Removal/ Replacement	Fire pump commissioning services	Thermostatic Valve Temperature Monitoring
Cradles & Bosun's Chairs	<b>Electrical Testing</b>	External Decoration	Fire pump flow testing	Disinfection of Water Systems (H&C)
Mobile Elevated Work Platforms	Fixed Wire Testing	Roof Maintenance	Fuel storage testing and remediation	Calorifier Descaling
Travelling Ladders and Ganties	Visual Inspection	Brick and Stoneworks	Sprinkler water tank installation, servicing, maintenance, repairs, and inspections	Chemical Supply
Lifting Equipment	Continuity of Protective Conductors	Building Fabric Maintenance, Decoration and Surveys	<b>Fire Alarm &amp; Emergency Lighting</b>	Water Conservation Services
Cradle PPE	Ring Circuit Continuity	Glazing Services	Fire Alarm Testing	<b>Water Quality Analysis and Sampling</b>
	Installation Resistance Testing	<b>High Level Cleaning</b>	Induction Loops	Water Risk Assessments
	Polarity Checks	Gutter Cleaning	Disabled Washroom Alarm Testing and Inspection	Routine Sampling Services
	Earth Fault Loop Impedance Tests	Building Cleaning	Disabled Refuge System Services	Legionella & General (Aerobic) Bacteria Testing
	Prospective Short Circuit Currents	Window Cleaning	Emergency Light Testing	Microbiological Analysis (Water)
	Operation of Residual Current Devices	Pressure Washing	Design, Upgrades & Installation Services	Chemical Analysis (Water)
	Functional Testing of Assemblies	De-Vegetation Services	<b>Fire Sprinklers and Extinguishers</b>	Professional Lab Services
	Full Testing of Static Appliances	Guano Removal	Building Surveys & Risk Assessments	Annual PPM Testing & Remedial Repairs
	Portable Appliance Testing	Siphonic Drainage Services	Fire Extinguisher Servicing	
	UPS Testing	<b>Access Equipment Hire</b>	Fire Extinguisher Maintenance	
	Fixed Appliance Testing	Truck Mounted 20-45M	Fire Extinguisher Supply	
		Truck Mounted 46-70M	Sprinkler Inspection and Maintenance	
			Sprinkler System Installs	
			Hazard Reviews	
			<b>Passive Fire Services</b>	
			Supply and Installation of Fire Rated Composite and Timber Doors	
			Fire Door Maintenance	
			Fire Rated Glazing Solutions	
			Fire Compliance Surveys	
			Fire Stopping	
			Fire Compartmentations	
			Fire Curtains and Cavity Barriers	
			Fire and Smoke Damper Inspection	
			Fire and Smoke Damper Testing	
			Grease Extract Ventilation Cleaning
